Dear DDA Licensed Provider:

Subject: Emergency Plans and Procedures

Attached are recently adopted amendments to COMAR 10.22.02.10 (Administrative Requirements for Licenses) which became effective on December 17, 2007. These regulations require that Group Homes and Alternative Living Units develop emergency plans and procedures regarding the evacuation, transportation, or shelter-in-place of individuals served. Please take note and ensure that appropriate individuals within your organization are notified and that measures are taken to comply with these requirements. In order to assist you in the development of your plans, a template is available at <http://ddamaryland.org/>. If you have questions regarding these new requirements, please contact your DDA Regional staff.

Sincerely,

Michael S. Chapman
Director
